

From our live beginning on
We are pushed in a little forms
No one asks us how we like to be

In school they teach you what to think
But everyone says differents thins
But they're all convinced that
They' re the ones to see

So they keep talking and they never stop
And at a certain point you give it up
So they only thing that's left to think is this

People tell me A and B
They tell me how I have to see
Things that I have seen already clear
So the push me from side to side
They're pushing me from black to white
They're pushing ' til there,s nothing more to here
But don't push me to the maximum
Shut your mouth and take its home
'Cause I decide the way things gonna be

Tu la Master tak bagi kami kat Anak Bukit Hari
Tu! Kalau tidak la ni Langkawi dah kita dah boleh

Hidup Master Of Puppets...

I want outto live my life alone
I want out.....leave me be
I want out.....to do thing on my own
I want out.... To live my life and to be free

Cilakak punya Madey , takkan

There's a millions ways to see the things in life
A million ways to be the fool
In the end of its,none of us is right
Because
