

Pictures of volunteers trained in Iraq

Posted on Thursday, March 13 @ 21:14:52 EST By Taliban Online

These are the pictures of volunteers from different parts of the arab world in Iraq who are willing to die for Islam. The volunteers also include Pan Arabists[Nasserists] who have united with the Islamists in fighting the aggression of America.They are being trained by the Iraqi army , in this particular base in Baghdad.

It is Allah ta'ala that grants life and death to whom he wills. If these men are lucky enough to be martyred, then they will be victorious, and if they are lucky enough to live and defeat the americans, then they will be victorious.

Alhamdulillah for Islam, in both cases we will be victorious due to the infinite mercy from lord of the worlds to his slaves.

May Allah grant one of the victories we are promised to those that fight in his cause, and bring every oppressor shameful on his face to the fires of hell.
